GUEST SPEAKER STEVE PEMBERTON

44 Women for ORANGEWOOD

Steve Pemberton's powerful story is about defying the seemingly insurmountable odds to the path of the unchosen. Orphaned into foster care, he was abandoned and betrayed by the very individuals entrusted with his care. Yet these challenges only fuel his desire to become what he never had and in so doing find success as a trail-blazing corporate executive, enlightened people leader, visionary youth advocate and acclaimed speaker. His critically acclaimed memoir, *A Chance in the World*, recounts his triumphant life journey and drive to become a man of resilience, determination and vision. Now an upcoming major motion picture, A Chance in the World further amplifies Steve's highly motivational messages: Believe in your dreams, rise above obstacles, create opportunities for others, and most of all, persevere.

Armed with a warrior spirit and a servant's heart, Steve has made equality and opportunity pillars of both his professional and personal life. He currently serves as Chief Human Resource Officer of Globoforce, a leading provider of social recognition and continuous performance development solutions. Prior to that he served as Vice President, Diversity and Inclusion and Global Chief Diversity Officer at Walgreens Boots Alliance, the first global pharmacy-led, health and wellbeing enterprise in the world. He was the first person in Walgreens' 100-plus year history to hold the position of Chief Diversity Officer, and under his leadership the company reached record levels of performance in areas of representation, retention, employee engagement and supplier diversity.

In his personal life, Steve is a passionate champion for disadvantaged youth, serving on several boards including United States Business Leadership Network and UCAN. He established The Pemberton Fund for the Future at The Home of Little Wanderers to provide help and guidance to children aging out of foster care. Steve's achievements have earned him national recognition, including the prestigious Horizon Award by the United States Congress, presented to individuals in the private sector who have contributed to expanding opportunities for all Americans.

As a keynote speaker, Steve has earned high praise of his highly collaborative style, working closely with clients to seamlessly customize his content to the messaging goals for each event. A gifted communicator and powerful storyteller, Steve consistently receives stellar reviews for his ability to connect with a wide spectrum of audiences, ranging from business and healthcare organizations to education and community groups. As one client raved, "He was the best keynote speaker we could have gotten and I was sincerely praised for it."
