

# VOLUNTEER OPPORTUNITIES

Thank you for your interest in volunteering with Orangewood Foundation. Orangewood prepares foster and community youth to reach their greatest potential through services in the areas of health & wellness, housing, life skills & employment, and education. Volunteer opportunities are available for ages 18 and older. Below are the major types of opportunities for volunteers.

## KITCHEN

As a volunteer you can provide lunch or dinner for youth utilizing the on-site Resource Center or attending Independent Living Program workshops. This is a great opportunity for individuals, companies and small groups.

## MENTOR

Make a huge impact in the life of a foster youth by becoming a friend to rely on, a leader to look up to and a teacher to build self-confidence with. *For more information about the Mentor Program, please contact Lucia Ngyuen at [lucia@orangewoodfoundation.org](mailto:lucia@orangewoodfoundation.org) or (714) 619-0233.*

## YOUTH/FUNDRAISING EVENTS

Make our events memorable by supporting with registration, organizing, directing guests, manage games/activities, and other duties. All these opportunities are open to volunteers if we need extra support and the Volunteer Manager will contact you directly if interested.

## OFFICE SUPPORT

Get to know the operations of Orangewood Foundation. Provide administrative support - data entry, filing, and organizing donations. A few hours a week can help us accomplish a lot.

## JOIN AN AUXILIARY

Two social groups of volunteers that fundraise and “friend” raise to support current and former foster youth – 44 Women for Orangewood and PALS. Make new friends who believe in our youth just like you do!

## VOLUNTEER INFORMATION SESSIONS

We highly recommend attending our volunteer information session if you are interested in volunteering at Orangewood Foundation.

These sessions are held quarterly at the Orangewood Foundation office in Santa Ana.

To find the date of the next information session, please visit [orangewoodfoundation.org/volunteer](http://orangewoodfoundation.org/volunteer)
