Mark your calendar for our annual 44 Women for Orangewood Social Event. This year's event will be at the beautiful Newport Harbor Yacht Club where you and your guests can reconnect with current members and meet our newest members. We will celebrate our 2018-19 accomplishments, hear first-hand stories about the impact our work has made in the lives of our youth and learn about our upcoming year.

Please bring a friend and items from our back to school wish list!

**RSVP to Jeff Gilstrap, Manager of Donor Relations at
