

# VOLUNTEER OPPORTUNITIES FOR YOU

Thank you for your interest in volunteering with Orangewood Foundation. Orangewood prepares foster and community youth to reach their greatest potential through services in the areas of health & wellness, housing, life skills & employment, and education. Volunteer opportunities are available for ages 18 and older. Below are some of the opportunities for volunteer.

## COOK FOR YOUTH

You and five friends can cook a meal for Orangewood youth who utilize the on-site Resource Center. Cook your favorite recipe and share it with a youth. Food is the way to the heart!

## BE A MENTOR

Make an impact in the life of a youth by becoming an Orangewood Mentor. Become a friend to rely on, a leader to look up to and a teacher with whom to build self-confidence.

## BECOME A FOSTER PARENT

Help a youth long term by becoming a foster parent with our Youth Connected Program. Build a life-long relationship with a student and be there for a youth.

## SHARE YOUR WORK EXPERIENCE

Share your work experience with Samueli Academy students by hosting a summer intern or becoming a speaker at our semiannual Career Ignition Conference. You can inspire a youth.

## HOST AN ILP WORKSHOP

ILP – Share your skills to youth by hosting an Independent Living Program workshop. You can guide a group of youth on topics from filing taxes to ways to de-stress.

## FUNDRAISE FOR OUR KITCHEN

Create a fundraiser amongst your friends and colleagues to help us renovate our Orangewood Kitchen. Help us refresh our kitchen where we can serve more meals to youth. Visit <https://orangewoodkitchenremodel.causevox.com/> to start!

## YOU CAN MAKE A DIFFERENCE IN A YOUTH'S LIFE

*"I am thankful for all the volunteers because they are the backbone of the organization. With their labor of love, they keep our community strong."*
