Orangewood Foundation, a 501(c)(3) nonprofit and one of the leading providers of services to foster youth in Orange County, is hosting its highly anticipated Orangewood Challenge at the beautiful Newport Dunes on Saturday, March 26, 2022 from 7:00 a.m. to 5:00 p.m. This annual event raises funds that support Orangewood Foundation's educational service programs, including the Samueli Academy Charter School, scholarships for college and graduate school students, and workshops which help current and former foster youth develop and achieve their educational goals.

In this exciting and fun multi-sport team-based adventure course, teams of four will run, paddle, and tackle challenges along an intricate obstacle course. The race is a physical, mental, and teamwork challenge designed for competitive adults of all ages. Each challenger is required to donate \$2,000 as an entry fee to cover race costs including food and equipment rental, and participants also set a goal to raise \$8,000 from family, friends, and colleagues. Interested in taking on The Challenge? Contact info@orangewoodfoundation.org or go online for more information.

For those who may not be up for this grueling challenge, there's good news – you can still support from afar! Spectator tickets for the Orangewood Challenge are now available online for \$25 per person. Gather your friends and family and come out to support this cause and rally behind the teams who will be giving their all to claim victory in the 2022 challenge.
